

How to Flag SIS sections for Blackboard

Interactive update:

1. Locate the course/section you want to flag as being supported through and update via screen 129

2. In the field called 'Class RCD' enter a 3 digit code that identifies the teaching method associated with this course. Valid codes as of today are:

(BLANK) - Blank (DEFAULT)

001 – MIDAS

002 – Blackboard

009 – Blackboard Pilot
