Mid year submission of request for the addition of new fees and/or increase in existing fees for the current year would have to receive the MCCCC Governing Board as well as the State Board approval.

**III. Tuition Waivers**

The Maricopa Community College District waives tuition & student activity fees for employees and their dependents, and for legislatively mandated groups. Special fees and fees for Non-credit/Special Interest Community Services courses are not waived.

\* According to Arizona Revised Statute, 15-1802 F, "A person who is a member of an Indian tribe recognized by the US Department of the Interior whose reservation land lies in this state and extends into another state and who is a resident of the reservation is entitled to classification as an in-state student." Therefore, unclassified and out of state surcharges do not apply to such students.
