Rio Salado								
Scottsdale								
South Mountain	8	7	3	7				1
Total	40	94	67	77	97	113	74	113

*Fall, spring, and summer sessions.

**Unduplicated enrollment. A student is counted once for the full year time period, regardless of the number of bioscience courses taken, as long as at least one course was successfully completed. The average student successfully completed 6.1 credit hours in bioscience courses in 2011.

***Students who successfully completed three or more courses in bioscience over the previous four years.

Note: Bioscience includes courses in the following subjects:

- Applied Biosciences
- Biology of Microorganisms
- Biotechnology
- Cellular and Molecular Biology
- Clinical Research Associate
- Clinical Research Coordinating
- Clinical Specimen Processing
- Histology
- Human Genetics
- Medical Laboratory Science
