*The location quotient (LQ) equals the percent employment in Greater Phoenix divided by the percent employment in the U.S. If the LQ is greater than one, the industry is more concentrated in Greater Phoenix than in the U.S. on average.

**Includes audiologists, chiropractors, optometrists, podiatrists, mental health practitioners, and physical, occupational, and speech therapists.

***Includes ambulance services and blood and organ banks.

****Includes hospitals providing long-term care for the chronically ill and treatment to patients with specific disease or medical condition types.

*****Includes boot and disciplinary camps, group foster homes, and halfway homes.
