*Fall, spring, and summer sessions.

**Unduplicated enrollment. A student is counted once for the full year time period, regardless of the number of public safety courses taken, as long as at least one course was successfully completed. The average student successfully completed 7.8 credit hours in public safety courses in 2009.

***Students who successfully completed three or more courses in public safety over the previous four years.

Note: Public safety includes courses in the following subjects:

Administration of Justice Studies	Law Enforcement Operations
Crime and Intelligence Analysis	Law Enforcement Technology
Emergency Medical Technology	Public Safety Communications
Forensics Science	Secondary Basic Emergency Medical Technology
Forensic Pathology Technology	Secondary Fire Science Technology
Fire Science Technology	Terrorism and Disaster Preparedness
Justice and Government Agencies Administration
