Total	529	588	555	528	519	501	626	543

*Fall, spring, and summer sessions.

**Unduplicated enrollment. A student is counted once for the full year time period, regardless of the number of transportation-distribution courses taken, as long as at least one course was successfully completed. The average student successfully completed 9.8 credit hours in transportation-distribution courses in 2011. previous four years.

Note: Transportation-distribution includes courses in the following subjects:

- Aeronautics
- Air Traffic Controllers
- Automotive Performance Technology
- Automotive Technology
- Caterpillar Technician Training
- Diesel/Heavy Equipment Technology
- Recreational Vehicle Technology
- Tractor-Trailer Driving
