*Fall, spring, and summer sessions.

**Unduplicated enrollment. A student is counted once for the full year time period, regardless of the number of transportation-distribution courses taken, as long as at least one course was successfully completed. The average student successfully completed 10.3 credit hours in transportation-distribution courses in 2009.

***Students who successfully completed three or more courses in transportation-distribution over the previous four years.

Note: Transportation-distribution includes courses in the following subjects:

- Aeronautics
- Automotive Performance Technology
- Automotive Technology
- Caterpillar Technician Training
- Diesel/Heavy Equipment Technology
- Recreational Vehicle Technology
- Tractor-Trailer Driving
