V.D.7	Intergovernmental Agreement for Dual Enrollment with Public School District	Dr. Maria Harper-Marinick

Recommendation

It is recommended that the Maricopa County Community College District Governing Board authorize entry into Intergovernmental Agreement (IGA) on behalf of its colleges with the public school district listed below for their dual enrollment program.

Saddle Mountain Unified School District #90

Justification

State law requires the entry into IGA's for dual enrollment programs between MCCCCD and public school districts.

The agreement form establishes curriculum and enrollment standards for MCCCCD's dual enrollment program to comply with applicable law. It also implements MCCCCD's single financial model for dual enrollment. All students either pay tuition or qualify for a school district scholarship, and the college's reimbursement to the school districts for instruction, facilities and supplies is calculated according to a set formula.
