

CONSENT AGENDA ACTION ITEM

Governing Board Agenda

Meeting Date: August 25, 2009

Item Number	Item Title	Responsible Agents
V.E.4	SRP Easement for Public Safety Building at Glendale Community College	Ms. Debra Thompson Dr. Velvie Green

Recommendation

We recommend that the Governing Board grant an easement to Salt River Project (SRP) to install and maintain electrical facilities for the Public Safety Sciences Building at Glendale Community College.

Justification

The Capital Development Advisory Council (CDAC) reviewed this item at its August 25, 2009 meeting and recommended that it be submitted for Governing Board action.

SRP is requesting a utilities easement to install and maintain electrical facilities for the new Public Safety Sciences Building at Glendale Community College. This easement will allow the existing electrical service (now serving modular buildings ICB-2 and AJ) to be expanded to serve the new Public Safety Sciences Building.
