

CONSENT AGENDA ACTION ITEM

Governing Board Agenda

Meeting Date: February 24, 2009

Item Number	Item Title	Responsible Agents
	Contract Awards for Campus Wide CCTV System Upgrade at Paradise Valley Community College	Darrel Huish Dr. Paul Dale

Recommendation

We recommend that the Governing Board approve awarding a contract in the amount of thirty-three thousand, four hundred, thirty-four dollars and fifty-four cents (\$33,434.54) to
Tel Tech Networks, Inc.,
for conduit and cabling and for one hundred five thousand, three hundred, eighty-eight dollars and forty-six cents (\$105,388.46) to
World Wide Technology, Inc.,
for camera hardware, software licensing, installation and maintenance.

Both bids are from vendors authorized on state contract (State Contract #T0659A0015).

The budget allocated for the project includes a fifteen thousand dollar (\$15,000) contingency for a total budget of one hundred fifty-three thousand, eight hundred twenty three dollars (\$153,823) that will be funded through PVCC 2004 GO Security bond funds.

Justification

The Capital Development Advisory Council reviewed this item at its February 24, 2009, meeting and recommended that it be submitted for Governing Board action.

Scope of work includes all labor and materials to complete the work.

The current Public Safety camera monitoring system is outdated and inefficient to be able to effectively track campus activity, assist in the resolution of criminal incidents and protect the health and safety of students, faculty and staff. This project will convert analog cameras to Internal Protocol (IP), replace units over five years old and add security IP cameras for a total of 32 devices campus-wide. Cabling required for the new camera locations as well as configuration of the server and storage area network are also included in the project.
