	Contract Award to Stanley Security Solutions for GCC Card Access System	Ms. Debra Thompson Dr. Velvie Green

Recommendation

It is recommended that the Governing Board approve a contract to:

Stanley Security Solutions

for the installation of a card access system to twenty-eight main entrance doors within twenty-five buildings on the main campus of Glendale Community College in the amount of \$132,688.00.

Justification

The Capital Development Advisory Council reviewed this item at its 11/25/08 meeting and recommended that it be submitted for Governing Board action.

GCC has been working on a comprehensive Emergency Response Plan. They are working to improve the capability for College Safety to control access to the buildings and increase their ability to lock down the campus in the event of a security incident. Installing a card access system is part of this plan.

Stanley Security Solutions has submitted a cost proposal of \$132,688 including sales tax, under their cooperative purchasing agreement with the City of Tucson for this work.

The award will be funded from the 2004 GCC G.O. Bond Security funds.
