Item Number	Item Title	Responsible Agents
VI.C	Tuition and Fees Policy Outstanding Debt	Dr. Rufus Glasper Dr. Maria Harper Marinick Debra Thompson

Recommendation

It is recommended that the Governing Board adopt the proposed changes to the Tuition and Fees Policy.

Justification

The proposed amendments seek to outline the limited instances where enrollment debt holds may be lifted. The amendments also seek to carry out the holds in a manner that protects assets.

While the language rests in the Catalog Common Pages (which are generally submitted through administrative regulation process for amendment), this item in particular is identified as an area under our governance structure where the Board has final authority to approve.
