	Child Care Access Means Parents in School (CCAMPIS) Program Grant from the Department of Education	Dr. Maria Harper-Marinick Dr. Shouan Pan

Recommendation

It is recommended that the Governing Board accept funding in the amount of \$109,375.00 for Child Care Access Means Parents in School (CCAMPIS) Program Grant from the Department of Education. The amount is for the first year, 10/1/2009-9/30/2010. This grant will commence upon receipt of Governing Board approval. This is a four-year grant, with each additional year of funding contingent upon the demonstration of project progress toward objectives and goals of the funded application.

Justification

The CCAMPIS Program Grant supports the participation of low-income parents in postsecondary education through the provision of campus-based child care services. This program will aid students by providing tuition subsidies and priority enrollment to Pell eligible students; increasing opportunities for Pell eligible students to access parenting and/or educational resources and participation in center activities; provide hearing, speech, and developmental screenings for enrolled children; and access to an early childhood consultant to aid students with specific issues related to their child's development.
