	Declaration of Curricular and Instructional Alignment to the Arizona State Standards for Teacher Preparation Charter High School	Dr. Maria Harper-Marinick Dr. Anna Solley Mr. David Singer

**Recommendation**

It is recommended that the Governing Board approve and sign the 2009-2010 Declaration of Curricular and Instructional Alignment to the Arizona Academic Standards on behalf of Teacher Preparation High School.

**Justification**

All Arizona schools, including charters, are expected to align their curricula with the Arizona Academic Standards in Language Arts, Mathematics, Science, and Social Studies. As a means to document the requirement, the Arizona Department of Education asks that the principal, charter signer, and governing board, annually, submit a Declaration of Curricular and Instructional Alignment to the Arizona Standards in Reading, Writing, Mathematics, Science and Social Studies.

Teacher Preparation High School affirms that:

1. the curriculum in language arts, math, science and social studies is aligned to the Arizona Standards in each content area, and
2. the evaluation of instruction to the standards is assessed via the Teacher Prep Teacher Evaluation System adopted by the board December 14, 2004
