	FY2007 – 2008 Lab Fee Schedule for Maricopa Skill Center	Debra Thompson Dr. Eugene Giovannini

Recommendation

It is recommended that the Governing Board approve the proposed Maricopa Skill Center course lab fee schedule for the FY2007 – 2008.

Justification

In preparation for the implementation of the “Go Live” New Student Information System and the ongoing curriculum development and new program/class naming conventions associated with all the courses/programs at the Maricopa Skill Center, all the proposed changes need to be reflected in the 2007 – 2008 MSC Catalog. The changes in course lab fees are a product of redefining our programs and the assessment of shifting market prices for consumables associated with each course lab activity.
