

Women's Leadership Group was founded in the early 1990's in order to provide all Maricopa women employees the opportunity to network, participate in professional development activities, and recognize distinguished colleagues. WLG has also become the recognized constituency representative and advocate for Maricopa women. I am pleased to have been one of the founding members of WLG. Additionally, I serve as a mentor, presenter, and Chancellor's Executive Council representative to the Executive Committee. I encourage all Rio Salado women to join WLG and become an active member!
