## WLG Leadership Group

The Women's Leadership Group (WLG) was founded in the early 1990's in order to provide the female employees of the Maricopa Community Colleges the opportunity to network, to participate in professional development activities, and to recognize and celebrate the achievements of colleagues. The WLG has also become a recognized constituency group and an advocate for Maricopa's women. I have had the pleasure of serving as a mentor and presenter to WLG participants, and this year I am the Chancellor's Executive Council representative to the WLG Executive Committee. I encourage all CGCC women to join the WLG.

Best regards,  
Dr. Maria L. Hesse  
President, Chandler-Gilbert Community College
