*Fall, spring, and summer sessions.

**Unduplicated enrollment. A student is counted once for the full year time period, regardless of the number of bioscience courses taken, as long as at least one course was successfully completed. The average student successfully completed 5.9 credit hours in bioscience courses in 2009.

***Students who successfully completed three or more courses in bioscience over the previous four years.

Note: Bioscience includes courses in the following subjects:

- Applied Biosciences
- Biology of Microorganisms
- Biotechnology
- Cellular and Molecular Biology
- Clinical Research Coordinating
- Histology
- Human Genetics
